

# AGRICULTURAL SEATING

OFF ROAD SEATING MANUFACTURER

# UnitedSeats for agricultural equipment and vehicles

**“We’ve got your back”**

UnitedSeats is a worldwide manufacturer of off road seating solutions for the industrial, agricultural, construction and marine sectors.

All seats are produced under contract for us in a state of the art modern 75,000 m<sup>2</sup> facility using the latest manufacturing techniques.

We are based in Zwijndrecht, The Netherlands from where we supply a portfolio of OEMS and Dealer network around the world. UnitedSeats remains committed to innovation, providing seating products and backed by excellent sales and service support.

Our in-house design capability allows us to tailor product for OEM and dealer specification.

Our range comprises a selection of air and mechanical suspensions which are both high profile and importantly for small & compact agricultural machines low profile.

These can be married with a wide selection of seat uppers and seat pans. Our skill is in ‘Uniting your seat’.

Our main agricultural seats are robust and easy to operate and meet EEC 78/764 class 1/2/3 type approvals for farm tractors and forestry machines. Our standard range accommodates driver weight range up to 130 kgs and heavy duty versions to accommodate 150 kgs are available. All our suspension seats meet ISO 6683 seat belt strength approval, ISO 7096 construction approval, and all SIP dimensions are to ISO 5353.

A wide range of accessories are available from UnitedSeats such as safety critical items like seat belts and seat switches. Special armrests and pods are available to carry joystick controls for various machines. A wide variety of spare parts such as dampers and cushions can be supplied.

Above all our priority is to supply seating solutions to maintain operator health and safety. We also stress the need to maintain and repair damaged seats to prevent injury.

***We have seats for the following machinery and vehicles***

-  Large tractor 100HP+
-  Medium tractor 60 - 100HP
-  Small tractors 30 - 60HP
-  Compact/Vineyard tractor
-  Combine harvester
-  Crop sprayer
-  Large ride on mower
-  Compact/Small ride on mower

**At UnitedSeats we've got your back!**

# Focus product range

## LGV90/C2 PRO AR TT

Our range of seats are heavy duty & ideal for large horse power tractors, combine harvesters, crop sprayers & telescopic handlers. The Air LGV90 suspension has a simple in/out button to adjust the air ride. It has an integral horizontal suspension to alleviate fore & aft shocks. It has an 120 mm of vertical suspension and 80mm of step less height adjustment to reduce damaging vibrations. It is available with 12V or 24V integral compressor.

Our popular CS85 suspension provides a mechanical alternative. The strong C2 PRO upper provides excellent seat comfort.

Adjustable headrest

Comfort foam cushions with lateral support

Easy to operate fully adjustable backrest

Air lumbar option

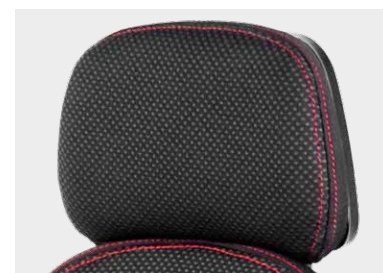

Turntable

Universal mounting pattern

Various armrests

Comfortable seat cushion with depth & tilt adjustment (PRO Version)

Heavy duty slide rails
